Dear Library Patrons,

Due to COVID-19, these are unprecedented times. As always, caring for our staff and patrons is of utmost importance to the Massapequa Public Library. We understand the worry that can be caused by an unexpected crisis such as the Coronavirus Pandemic especially when it comes to your family.

In response to the spread of Coronavirus (COVID-19) and the danger that it poses to all segments of our population, particularly those with pre-existing medical conditions, the Massapequa Public Library will be CLOSED until further notice. All programs are canceled until further notice.

Our Board of Trustees and Library Administration are making this decision in alignment with New York State Governor’s Executive Order 202.8 which went into effect on March 22nd.

We want to emphasize that, at this time, we are not aware of any staff member or patron who has contracted the virus. This step is a preventative measure to protect the welfare and safety of our community, particularly those that may be most vulnerable to Coronavirus (COVID-19).

We will continue to communicate any further impacts to the Library as a result of Coronavirus by email, on our website, www.massapequalibrary.org and on our Facebook page. In the meantime, as a reminder, the Library has many digital services available to you for free, such as Reading & E-Media; streaming TV, movie; and Digital Magazines.

We are continuing to advise all our patrons, as well as our staff, to follow CDC guidelines.

Thank you and stay well.

Sincerely,

MaryAnn Tweedy, Library Director
